

ABOUT ME

Rosabel Garcia is a native of Cuba. She began dancing at the age of 2 in Cuba. She continued to dance after immigrating to the U.S. Rosabel has the passion for dance and is constantly searching to share her artistic talent with other individuals, dancers and non-dancers. Due to her dance background, my work is a contemporary fusion of dance styles, hopefully reflecting her belief in the beauty of diversity and the importance of saying "yes" to being different.
